### are they in trouble?

### directions

After reading through each of the following scenarios, list the steps you would take if you found yourself in the same situation. Then, using the attached budget sheets, rework the troubled budget. After reworking the budget in the space provided, explain what you changed and why you changed it.

1. Sergei's monthly net income is \$1,642.

#### His monthly fixed expenses include:

- **\$550** for rent
- A school loan payment of \$232
- A car payment of \$152
- An insurance premium payment of \$112

### His flexible monthly expenses include:

- Utilities and telephone bill, which average \$125
- **\$120** for food
- **\$50** for personal and household items
- **\$50** for gas and oil
- **\$100** for entertainment

#### His current credit obligations are:

- **\$850** on a major department store credit card
- The minimum monthly payment is \$42
- \$1,200 on his major credit card, which he accrued from taking out a cash advance
- The minimum monthly payment is \$65

Sergei keeps meaning to open a savings account and deposit a small portion of each paycheque, just in case he has an emergency and needs extra cash. But he just hasn't gotten around to it yet.

Sergei's car breaks down on the way home from work. His mechanic tells him that it will cost about \$1,200 to get the car running again. Sergei needs his car to get to and from work. He just got paid so he uses most of the money from his paycheque to get his car fixed.

If you were Sergei, in the short term, what would you do about your present financial situation?
